

**Registration Deadline: October 7, 2016**

## **Cambria County Elementary and Secondary Student Assistance Program Network Day 2016**

Sponsored by the Cambria County SAP District Council

**Tuesday, October 18, 2016**

Saint Francis University, Loretto

8:00 a.m. – 3:10 p.m.

(8:00 – 8:15 am Registration)

Please join us for the 21th Annual Cambria County SAP Network Day, which is being offered as an opportunity to receive updated information and network with other elementary and secondary SAP teams. Our goal is to continue to meet the needs of SAP teams by offering a variety of topics and presenters for the conference. This year, we will feature topics on teen social media and mental health trends, Narcan, and suicide prevention/postvention. Debbie Strayer will also provide a SAP regional and state update. The agenda is attached.

**As a special thank you to those schools that continued their support and fiscal contribution to the SAP District Council, we are offering two free slots per district to attend this conference.** However, if your district registers participants using the free slots and they do not attend, provide substitutes, or cancel by the deadline, **the district will have to be billed to cover costs for the conference/meals.** In addition, we encourage staff from local agencies who are interested in attending.

The registration fee of \$25.00 per person includes morning coffee and lunch. The Intermediate Unit has set up a link for registration and will provide Act 48 credits. **They will bill schools and agencies after the conference.** In order to register, please use the following link:
